

# Elazar Simcha Lapp

## Profile

I have experience as a teacher and Rebbe which has given me an understanding of educational institutions' structure, synergy, and the necessary communications. I am seeking a job in an education related field that conforms to a Torah life.

## Skills

- Ability to listen and provide constructive responses.
- Communicate with various departments and administrators.
- Give lectures and classes.
- Computer saavy with knowledge of Docs, Office, and some graphic design.

## Work Experience

### Teacher, Yeshivas Bircas HaTorah

- Gave daily classes in Gemara to students with ages ranging from teenagers to retirees. Ensured that the students were progressing and developing in their skills.
- Ran the semicha class. Involved answering halachic questions, testing, and ensuring that the students and administration were up to date on the progress of the course.

### Science Teacher, Yeshivas Mir Brooklyn

- Taught science to 7th and 8th grades, managing all aspects of the class from teaching, lecturing, communicating with parents and staff.

## Education

- High School Diploma, **Mesivta Ateres Yaakov**
- Semicha Yoreh Yoreh, **Rav Shlomo Yedidya Zafrani**
